PERMISSION TO USE AND DISCLOSE CONFIDENTIAL INFORMATION

Huther Doyle, a HHUNY affiliated Health Home Serving the Finger Lakes Region and Montgomery County

By signing this Consent Form, you permit people involved in your care to share your health information so that your doctors and other providers can have a complete picture of your health and help you get better care. Your health records provide information about your illnesses, injuries, medicines and/or test results. Your records may include sensitive information, such as information about HIV status, mental health records, reproductive health records, drug and alcohol treatment, and genetic information.

If you permit disclosure, your health information will only be used to provide you with medical treatment and related health and social services. This includes referral from one provider to another, consultation regarding care, provision of health care services, and coordination of care among providers. Your health information may be re-disclosed only as permitted by state and federal laws and regulations. These laws limit

re-disclosure of information about your treatment at a substance abuse or mental health program, HIV related information, genetic records, and records of sexually transmitted illnesses.

Your choice to give or deny consent to disclose your health information will not be the basis for denial of health services or health insurance. You can withdraw your consent at any time by signing a Withdrawal of Consent Form and giving it to one of the providers listed in Attachment A. But anyone who receives information while your consent is in effect may retain it. Even if you withdraw your consent, they are not required to return your information or remove it from their records.

You are entitled to get a copy of this Consent Form after you sign it.
